Ontario's Workplace Safety & Insurance Board (WSIB) allows you to recertify Standard First Aid (SFA) just once on a recertification course. After this, you must repeat the full SFA course to renew. Thereafter, you may renew by alternating recertifications and original courses. Recerts must be done within 3 years of the date of the original certification.

WSIB requires that you recertify only with the original certifying agency, in this case, the Lifesaving Society.
